Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Saturday 29 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells developing today. Warm and sunny tomorrow.

Today:
A cloudy start to the day, with some patchy light rain. Sunny spells developing from late morning onwards and becoming widespread for the afternoon. The chance for an isolated shower toward the Peak District. Warm. Maximum temperature 21 deg C (70 deg F).

Tonight:
Any isolated showers soon dissipate through early evening to leave a dry night with long clear spells and light winds. Chance for some low cloud in the east by dawn. Minimum temperature 6 deg C (43 deg F).

Sunday:
A warm and sunny day after any early cloud has quickly cleared away. Light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
Staying warm with plenty of sunshine throughout the period, dotted with patchy fair-weather clouds. Mostly sunny Wednesday, but potential for heavy showers in the south.
